

# Double success

AYLESTONE High School pupil Becki Powell, 15, and her 11-year-old pony Golden Beau, known as Boo, have had plenty to celebrate after the Dressage Championships of GB held at Cricklands.

The pair took both the 16 and under championship title for the second year running and the Open Novice Title against strong competition from competitors from all over the country.

The pair warmed up for the competition with a win at the Open Midland dressage championship at Kidderminster and were placed a very respectable seventh and third in the Badminton International Dressage championships at Badminton House at the end of July.

Becki is a member of The North Hereford Pony Club and The Hereford & District Riding Club. She and Boo are trained by Serena Pincus.
