

There were two wins for Lucy Pincus and Sheepcote Don Calisto in both the advanced medium qualifiers. "I thought my first test was a bit spooky," said Lucy. "However, when I came out, everyone said it looked good. And I got a nine for my riding, which made me happy. He felt more settled in the second test, so I'm thrilled."

Lucy also took the top spot in the FEI pony/junior team test with the eight-year-old Don Schufro/ Lucy Boy home-bred gelding.
